Your ONE LINK connecting YOU to the WORLD!

Prices listed are per month and assume paperless billing and enrollment into autopay, otherwise a \$5 per month billing fee will apply. Not all services and channels are available in all areas. Digital receiver box rental required for DISH satellite service. Listed Internet speeds represent maximum speed capabilities and may vary based on many factors including website traffic and maximum bandwidth restrictions on customer owned equipment. *Optional Wi-Fi Router needed for wireless connection when subscribing to Internet services. Options are available to rent or purchase Wi-Fi router through ONELinkUSA. Premium movie channels are available with specific TV packages only. ONELinkUSA cannot service or offer technical support for customer-supplied equipment. Published rates do not include taxes, fees, or other applicable charges. Rates, taxes, fees and other pass-through charges are subject to change without notice. Please call 800.721.1710 and speak to a Customer Service Representative for specific programming answers.
